Email.....

## LPG Tank and Delivery Details:

Where is your tank located at your property? .....

.....

Any access issues the Gas supplier needs to know about .....

e.g. steps, narrow lanes, locked access, etc.?

.....

Is the tank accessible to the supplier at any time .....

Do you currently use Calor Gas, Flo-Gas or other (please state) .....

What is your Delivery Point (DP) number, this is 8 digits long .....

(If you don't know your DP number please look on your tank where you should see small metal plaque usually located on the base or on the side on the tank. This number should also appear on recent invoices).

Is your tank owned by your current supplier? .....

Is your tank regularly checked by a qualified engineer .....

If yes, please supply details and date of last inspection .....

What are you currently paying, pence per litre exc. VAT .....

Please indicate what tank rental charges you incur .....

(these could be quarterly or when tank is filled up)

Tonnage used per year or litres used per year .....

(2,000 litres equates to 1 tonne)

If you do not currently have an LPG supplier or tank, please indicate you expected tonnage used per

year or litres used per year. (2,000 litres equates to 1 tonne) .....

Would you like to receive auto-fill ups when your tank is getting low (if available)? .....

How did you hear about us? .....
